Committee Report

- A. Overview
- B. Timeline
- C. Communications

Shaw University

Estey Hall was built in 1873, becoming the first female dormitory in the U.S. on a co-educational campus. The Leonard Medical School was founded in 1881 as the first four-year medical school in the South to train black doctors and pharmacists and it operated until 1918. Both Estey and Leonard halls have been listed on the National Register of Historic Places.
